CONFERENCE INFORMATION

Conference Aims and Objectives

The AIBUMA conference aims at providing a forum for disciplinary and interdisciplinary communications, where researchers (in Social and Natural

Sciences, as well as in Engineering), intellectuals, policy/decision makers and Consultants would share the results of their research, studies

and thoughts, with regards to societies and private/public organizations.

This is an annual event that began in 2010 and is organized and hosted by

the School of Business, University of Nairobi.

The conference seeks to;

- Showcase research as well as provide a forum for collaboration and fusion with business leadership practice.

- Plug into the global business thinking by engaging in activities that

elevate her visibility in the global arena.

Conference Proceedings

All submitted conference papers will be blind peer reviewed by competent

reviewers. The conference abstracts and proceedings book, will be distributed to the conference participants at the conference registration
