

The Association of African Universities (AAU) is inviting applications from postgraduate students for its Small Grants for Graduate Internships.

The grant is in support of AAU's bid to intensify its advocacy for students from African universities to acquire employable skills for the world of work upon graduation.

Successful applicants will be expected to undertake an internship programme for a period of twelve (12) and twenty-four (24) months. The Grants offer is up to USD600 per person.

Grant is specifically meant for training purposes only and not for completion of theses or dissertations. Consideration will be given to applicants who have no practical work experience.

Application deadline: May 23, 2016
